

EDITORIAL NEPHROPHARMACOLOGY 8

On October 8, 2004 the NephroPharmacology 8 meeting was held in Ulm. It is our long tradition to publish selected presentations of the meetings (Kidney Blood Press Res 2004; 27: 160). What follows are 8 selected papers of the last meeting dealing with the diverse interactions between drugs and kidneys. The next NephroPharmacology 9 meeting will be organised again on October 8, 2005 here in Ulm.
